

JOB OPPORTUNITY

Color Ad Packaging is a Winnipeg based leading producer of quality commercial packaging products. We are focused on providing our customers with world-class flexible packaging solutions that are manufactured in a clean and safe work environment.

We are currently looking to hire a **SLITTER OPERATOR**.

POSITION SUMMARY:

The primary function of the Slitter Operator is to set up and operate the Slitting machine to produce quality products and achieve standard targets set forth by management, while following Color Ad policies and adhering to safety procedures.

RESPONSIBILITIES INCLUDE:

- Reads and understands docket and spec sheet for correct slit position, ensures blades are set in correct positions according to standard operating procedures
- Signs into the MRP (Globetek) for proper job and proper operation, inputs production and waste for each job, and issues material used (WIP and raw materials)
- Creates stock ID, core tags and move ticket forms
- Uses scale to ensure correct impression count per roll
- Fills out required documents (SPC, Operator Checklist, Operator Log Sheet, & Sign-Off Tag) with supervisor's sign off, as needed
- Reads and understands the printed and/or online schedule and follows instructions left by lead hand
- Files maintenance work order for any repairs required, ensures supervisor approval
- Informs supervisor when running low on consumables
- Sets up machine according to standard operating procedures and spec sheet, ensures good manufacturing practices are followed.
- Understands machine capabilities and checks cure time.
- Ensures quality of product coming off machine for any defects based on Color Ad's set standards
- Maintains clean workplace and machine
- Complete preventative maintenance work orders as per standard operating procedures
- Adheres to all requirements of Color Ad's Food Safety Program. Reports any issues noticed to a member of the Food Safety Team.

EXPERIENCE, SKILLS & QUALIFICATIONS REQUIRED:

- Minimum Grade 12 education
- Minimum 1-year experience in a manufacturing environment
- Mechanical dexterity, math and measuring skills
- Ability to multi-task in a fast-paced production environment
- Computer proficiency is an asset
- Previous experience in a print environment is an asset

PHYSICAL CAPABILITIES:

- Ability to lift, bend, twist in performing the functions
- Frequent walking and standing for extended periods of time
- Some heavy lifting required
- Exposure to moderate noise and odors

Must be available to work rotating continental shifts.

If you meet the qualifications required and if the above position describes your experience and interests, please submit your resume to hr@colorad.ca.

We thank all candidates who apply, however, only those selected for further consideration will be contacted for an interview.

Color Ad Packaging is an equal opportunity employer, committed to maintaining a diverse workforce.
