

## JOB OPPORTUNITY

**Color Ad Packaging** is a Winnipeg based leading producer of quality commercial packaging products. We are focused on providing our customers with world-class flexible packaging solutions that are manufactured in a clean and safe work environment.

We are currently looking to hire a **QUALITY CONTROL TECHNICIAN**.

The primary function of the Quality Control Technician is to monitor production processes at defined critical control points and to collect and report data pertaining to key aspects related to the overall quality of the end product as it relates to customer specifications.

### RESPONSIBILITIES INCLUDE:

- Performs routine production floor quality checks;
- Audit Preparation – Works to maintain quality system requirements and complete objections related to audit requirements pertaining to the Quality Department;
- Documentation/filing – maintain physical and digital records according to defined parameters/specifications;
- Analytical analyses – performs analyses include Residual solvent (GC) and various tensile (i.e. pouch tear strength, bond strength testing) and other physical tests (parker print roughness, Sutherland Rub, curl etc...), as it all relates to customer and process requirements;
- Retained sample collection and filing;
- Sample collection – collects samples provided at various stages of production in accordance with customer and/or testing requirements;
- Adheres to all requirements of Color Ad's Food Safety Program; reports any issues noticed to a member of the Food Safety Team.

### EXPERIENCE, SKILLS & QUALIFICATIONS REQUIRED:

- Ability to multi-task in a fast-paced production environment;
- General knowledge of production process and equipment applications;
- Knowledge of common finished good release requirements and processes;
- Experience operating Laboratory equipment generally used for flexible packaging testing applications (for example: GC, COF Testing machines, Tensile tester);
- Post-secondary education in an Analytical Testing based program;
- Previous experience in the flexible packaging industry is an asset.

### PHYSICAL CAPABILITIES:

- Physical demand requires no undue fatigue regarding sitting, standing, and walking;
- Frequent standing for extended periods of time;
- Exposure to moderate noise and odors.

**Must be available to work rotating continental shifts.**

If you meet the qualifications required and if the above position describes your experience and interests, please submit your resume to the Human Resources Department.

*We thank all candidates who apply, however, only those selected for further consideration will be contacted for an interview.*

*Color Ad Packaging is an equal opportunity employer, committed to maintaining a diverse workforce.*
